OPS and By-Law services base their work on call statistics. The more calls that you make, the more neighbourhood services we receive. There are three steps to making the call:

a) Deciding which number to phone.

If you have an emergency or see a crime in progress, call 9-1-1. If your car was broken into or you need police to attend another non-urgent situation, please call the “other emergencies” number (613-230-6211). To report an incident after it occurred without police attending the scene, please call 613-236-1222 – ext. 7300. You can reach by-law services at 3-1-1.

b) Getting a report number.

When the dispatcher answers, it is a good idea to ask for a report number immediately. We’ve found that dispatchers sometimes hang up before we get to ask for a number or we forget. Asking for a report number right away solves these problems.

c) Share your report number and incident.

Please e-mail your report numbers and a brief description of the incident to your Block Captain (if you have one), or directly to us.

Importance of Reporting Prostitution and Problem Addresses

Neighbourhood Watch members can support the police by writing down and phoning in important information such as: vehicle descriptions and license plate numbers (specify Ontario or Quebec) of anyone soliciting prostitutes, descriptions of drug dealers and addresses of crack houses.

Graffiti

If you spot graffiti, call 3-1-1. Graffiti kits are available from your city councillor.
