NEWS AND VIEWS

OMB decision on 246-8 Cowley Ave. The Ontario Municipal Board has upheld the decision of the Committee of Adjustment not to allow two semi detached dwellings (double) on this lot and then sever the lot. The Executive hopes this will discourage other attempts to use 50 foot lots for semi-detached dwellings.

Addition to Mosque: The mosque is planning a small addition on the south side. If you have concerns about this and/or wish to have input call your president, Jim Cocks at 728-7881.
