### Key Ottawa Police Service numbers:

- OPS and By-Law services base their work on call statistics. The more calls that you make, the more neighbourhood services we receive. There are three steps to making the call:

If you have an emergency or see a crime in progress, call 9-1-1. If your car was broken into or you need police to attend another non-urgent situation, please call the “other emergencies” number (613-230-6211). To report an incident after it occurred without police attending the scene, please call 613-236-1222 – ext. 7300. You can reach by-law services at 3-1-1.

When the dispatcher answers, it is a good idea to ask for a report number immediately. We've found that dispatchers sometimes hang up before we get to ask for a number or we forget. Asking for a report number right away solves these problems.

**c) Share your report number and incident.**

Please e-mail your report numbers and a brief description of the incident to your Block Captain (if you have one), or directly to us.

**Importance of Reporting Prostitution and Problem Addresses**

Neighbourhood Watch members can support the police by writing down and phoning in important information such as: vehicle descriptions and license plate numbers (specify Ontario or Quebec) of anyone soliciting prostitutes, descriptions of drug dealers and addresses of crack houses.

**Graffiti**

If you spot graffiti, call 3-1-1. Graffiti kits are available from your city councillor.
