1. How secure is your bike?

A number of thefts of bicycles have occurred recently in the Booth/Primrose area. “Secure” means more than a chain looped around something. If you can, it’s best to keep your bicycle out of sight behind lock and key. If a would-be thief can see it, you stand a good chance of losing it.

Importance of Reporting Prostitution and Problem Addresses

Neighbourhood Watch members can support the police by writing down and phoning in important information such as: vehicle descriptions and license plate numbers (specify Ontario or Quebec) of anyone soliciting prostitutes, descriptions of drug dealers and addresses of crack houses.
