*Dear Mrs. O'Connell,*

*I wish to extend my deepest gratitude for inviting me to the Champlain Park annual Winter Carnival.*

*I have always enjoyed attending community events such as the one your organization hosted. I was impressed by the sense of community that has been fostered in Champlain Park, my sincerest thanks to yourself and the other members of the Champlain Park Community Association for taking the initiative and helping to make Ottawa such an amazing city to live in.*

*I wish yourself and all members of your community a successful year ahead. I look forward to crossing paths again in the future.*
