

OTTAWA FARM FRESH

CONSCIOUS EATING MADE SIMPLE

who we are

We are Jonathan, Jolianne, and Milo - a family on a mission to bring the best organic food to the people of Ottawa.

We have over a decade of organic farming experience and are putting that knowledge to work on our new farm in the Ottawa Greenbelt. We are passionate about local food, and believe that agriculture can heal the land, while also nurturing the mind, body, and soul of the local community.

our mission

is simply to grow the very best produce Ottawa has ever tasted! Fresh, crunchy, juicy, organic, ultra local.

our farm

is located less than 12 minutes from downtown Ottawa on an NCC property nestled in the Greenbelt. We have a 25 year lease and a vision to bring this heritage agricultural property into the 21st century to serve the people of Ottawa.
