

2022-23 Membership Drive

Dear Champlain Park Resident,

After a 2-year delay due to COVID the Champlain Park Community Association is relaunching its **annual membership drive**. This fall, we encourage all households in Champlain Park to join the community association or renew their membership.

Behind the scenes, the **Champlain Park Community Association (CPCA)** works hard to enhance and protect our community.

How? An elected Board of Directors provides direction and it relies on the work of many **volunteers** and on funds from a yearly **membership drive**.

In late August or September a volunteer will knock on your door to invite your household to be a member for a \$20 annual fee.

How will your \$20 be used? To support CPCA activities including

- Coordinating **events** such as theatre and yoga in the park, star gazing, Winter Carnival, an online chess tournament and contests with prizes
- Coordinating the rink, and fieldhouse **facilities**
- Enhancing our **natural green space** (*ski trails, pollinator garden, tree plantings*)
- Keeping us **secure** through Neighbourhood Watch
- Presenting on Planning and Zoning issues
- Supporting our community's concerns at **City Hall**
- Working with **other communities** on shared issues
- Keeping you **informed and connected** through a website <https://champlainpark.org/> Twitter @ChamplainPark and household delivery of the **Champlain Speaker** newsletter

Importantly, membership also allows you to vote for CPCA representatives at the Annual General Meeting.

Do you have ideas or questions? Attend the AGM (late Fall date to be advertised) or write to the webmaster at **ChamplainPark@gmail.com** who will then forward your question to the appropriate person.

See you in the 'hood!

Jennie Hornosty, CPCA Membership Coordinator

Find out how to join CPCA or renew your membership on the reverse side

Membership

Annual membership in the CPCA costs \$20 per household. During the membership drive volunteer canvassers accept payment in cash, cheque or E-transfer. Your membership will be confirmed with a verified CPCA Membership Card.

If you missed the canvasser and wish to be a member contact Jennie Hornosty at ChamplainPark@gmail.com and **put Membership in the subject line.**

Or you can also e-transfer the fee to: financescpca@gmail.com **Be sure to put your name, street address and email in the Message area** to help us keep track of payments and to know where to deliver membership cards. E-transfer for membership will be available between August 20 and September 30.
