

# Jobs Matchmaker 2025

- Dropped listing of employers looking for workers, wasn't that useful.
- Workers come and go as time passes, most changes are around September, now have 10 listed.
- Online listing at <https://champlainpark.org/matchmaker/> and a paper listing occasionally in the Champlain Speaker.
- Online has different contact info (fewer phone numbers) since it's more accessible to spammers. Want to avoid creepy phone calls!
- Anonymity available using the matchmaker as a go-between.

# Champlain Park History Book

- Currently being written by Robert Grainger, who also wrote *Early Days in Westboro Beach: Reflections and Images* and part of *River, Road and Rail — Woodroffe Memories*.
- Still a couple of chapters to proof-read.
- Hopefully out early next year. Bob will be funding the print run himself so we don't need to fundraise.
