Holiday Sleigh Ride Dec. 23

Giddy-up & hop on board the hay wagon in magical trip through

The annual Sleigh Ride —
please weather gods, be kind! —
is scheduled for **Tuesday, Dec.
23.**

The horse-drawn wagon will
depart from the Fieldhouse and
take a winding way through
Champlain Park. For the exact
route, check our website or
consult one of the many detailed
posters affixed on poles across
the neighbourhood. (There are
four stops on the route.)

We're asking that the **6:15 p.m. departure** be set aside for
tiny tots (four years and under), with a **6:45 p.m.
departure** for the regular ride-along, walk-along.
(Parents or guardians must accompany children on both
rides.)

There will be sing-alongs
and hot chocolate, candy
canes and possibly a
surprise visit from Old St.
Nick himself. Feel free to
bring along a set of bells or
other musical instruments
that suit group carolling.
Please be mindful the event
is weather-dependent, as
freezing rain (in particular)
has led to the cancellation in
previous years.

If the weather looks iffy, be sure to check our website or
Twitter/X account (@Champlainpark) for last-minute
updates. Volunteers are always welcome: contact **Dennis**
at denvan@gmail.com if you can help with tasks like
setup, serving and cleanup. Baked goods also welcome.

Prep on outdoor rink well underway/volunteers welcome

A small core group of volunteers work hard to build and maintain our ice rink, but we need more volunteers to make it a successful season! In particular, we need volunteers to supervise the rink and change-room facilities during "open" hours.

Teenagers over 14 can earn valuable high-school volunteer hours supervising at the rink. Volunteers also get the added bonus of being outside, gaining some fitness and taking pride in helping make ours the best outdoor in the city!

To be added to the volunteer list, please send an email to Paul O'Blenes, Outdoor Rink Coordinator, at oblenesp@gmail.com

The Champlain Park website also has links to the rink Facebook page and to City of Ottawa guidelines on how to ensure rink use is safe for everyone. Stay tuned for news on the rink's opening day.

Change-room hours

Saturday: 10 AM to 2 PM
Sunday: 12 to 4 PM
